EXCLUSIVE GUIDED TOUR TO SAMI CAMP EXKLUSIV GUIDAD TUR TILL SAMELÄGER

We have just closed an agreement to make an exclusive tour to visit the Sami Camp Njarka on our Motorcycles!

Vi har precis träffat ett avtal om att få göra ett exklusivt besök till sameläget Njarka på våra motorcyklar!

The water glitters in the lake of Häggsjön, big Trout jump in the water, Reindeers roam about in the sparse wooden landscape. Here we are welcome right into a living Sami culture on this holy headland. There will be an introduction to the Sami lifestyle and culture, you will be treated fresh baked Sami fire cake, you'll have a chance to try out lasso throwing and feed the reindeers. And why not try your fishing luck in the lake?

Det glittrar i Häggsjöns vatten, öringar vakar utanför udden, renar strövar fritt i den glesa skogen. Här blir vi välkomnade rakt in i den samiska kulturen. Vi blir introducerade i det samiska livet och kulturen, vi blir bjuden på nybakt glödkaka, får prova på lassokastning och får mata renarna. Och varför inte prova på fiskelyckan?

This will be an exclusive tour limited to two groups of max 50 persons in each group. On the tour we will also visit the magnificent water fall, Tännforsen, well worth a visit all by itself.

Registration for the tour and the Rally are handled by our registration office, Kongressbyrån (+46 (0)63-14 40 10)

Bokningsläget 2010-02-05: 259 anmälda
