HARLEY-DAVIDSON ON TOUR—2010

Harley-Davidson Sverige kommer till träffen med sin långtradare lastad med årets nyheter. Hojarna står uppradade och är redo att njutas av dig som besökare under hela träffen!

Harley-Davidson Sweden will visit the Rally with their 2010 line up of motorcycles. The Bikes will be ready and at your disposal throughout the whole Rally!

Why not try to find your own favorite among this years Harleys. Go for the accel-

eration of a V-Rod, be cool on the Sportster Forty-Eight, try the comfort and agility of the Touring bikes or just kill the mountain roads on the wild XR1200X. Whoever you are -

there will be one favorite waiting for you!
